No amendment, waiver or modification to this Agreement shall be effective unless in writing and signed by both parties.

11. EXAM RETAKE POLICY

The CIW Exam Retake Policy outlines the conditions under which a candidate may retake a CIW exam. A waiting period between retakes of a single certification exam maintains the security of the exam and strengthens the value of the CIW certification. Each CIW exam is defined by a unique exam ID (e.g., 1D0-410). A retake is any subsequent sitting of an exam with the same CIW exam ID by the same candidate at any authorized testing center.

In the event that a candidate passes a CIW exam, the candidate will not be allowed to retake that CIW exam. If the CIW exam objectives change, the exam ID changes to
reflect the new exam version. Candidates who have passed an exam may sit a newer version of the exam that may have the same title but a different ID number.

In the event that a candidate fails a CIW exam on his or her first attempt, a 24-hour waiting period is required between the first and second sittings of that CIW exam. Candidates are required to wait for a period of no less than 30 calendar days from the date of the previous sitting before any third or subsequent sitting of the same CIW exam.

Exams administered in any ways that do not comply with the CIW Exam Retake Policy shall be considered invalid and ineligible for a refund.

In the event that a candidate has violated this Exam Retake Policy, the candidate may be deemed ineligible to register for or schedule any CIW exam for a minimum period of 12 months from the date of such determination.

In addition, any candidate determined to have violated the CIW Exam Retake Policy may be subject to any or all of the following:

11.1. Denial of a specific CIW certification for a period of 12 months from the date of such determination;

11.2. Revocation of a specific CIW certification, if such certification had been previously granted to the candidate;

11.3. Revocation of all CIW certifications previously granted to the candidate;

11.4. Ineligibility to receive any CIW certification for a minimum of 12 months from the date of such determination;

11.5. Any other appropriate actions, including legal remedies, deemed necessary or appropriate to enforce the CIW Exam Retake Policy.
